REALITY OF HISPANIC/LATINO MINISTRY

Reflect on the following questions to assess how your parish, diocese, region, organization, or institution is responding to the reality presented in the video/presentation. This handout may require more time for reflection after the In-Service.

1. How well are different ethnic groups welcomed and integrated into our parish, diocese, or organization?
2. Do we have interculturally competent leaders who can facilitate ecclesial integration and co-responsibility? What can we do to improve or grow in this area?
3. Are sacramental preparation, faith formation, and other programs offered in multiple languages to accommodate the needs of diverse participants?
4. Are there linguistically and culturally diverse groups and ministries in place where Hispanic/Latino youth and young adults of all generations and languages feel they are welcome and actively participate?
5. How can we better incorporate rich Hispanic/Latino spirituality and religious traditions into our liturgical and faith formation activities?
6. Do we have well-organized Hispanic/Latino ministry committees with key/clear roles, effective communication, and decision-making processes?
7. How can we foster collaboration and a sense of mission among different Hispanic/Latino groups and/or ecclesial movements?
8. How can we better recognize Hispanic/Latino stewardship outside of monetary contributions? How can we improve stewardship amongst the Hispanic/Latino community?
